

ROOM DIVIDER GLITCH!

SATURDAY, MARCH 6, 2011, WAS A COLD, WINTRY DAY WHEN THE MOVERS ARRIVED TO MOVE ALL OF THE FURNITURE AND PACKAGES WHICH THE MEN HAD PACKED PREVIOUSLY. ALTHOUGH THE WEATHER WAS INCLEMENT, ALL WENT WELL UNTIL THE MOVERS DISASSEMBLED THE ROOM DIVIDER AND ATTEMPTED TO MOVE THE PARTS THROUGH THE ENTRANCE DOOR TO THE CORRIDOR ROOMS. THEY RAN ACROSS THE FIRST GLITCH IN THEIR WORK THAT DAY.

HOWEVER ALL ELSE WENT WELL AND THE JOB WAS WELL DONE. THEY WERE A GREAT GROUP OF GUYS WHO DID A VERY PROFESSIONAL JOB.

HERE ARE SOME OF THE AREAS THAT WERE EMPTIED.

A PROBLEM AROSE WITH THE DRESSER-DIVIDER WHICH EXISTED IN ALL FOUR ROOMS OFF THE CORRIDOR BECAUSE EVEN WHEN DISASSEMBLED NOTHING WOULD FIT THROUGH TOO NARROW OF A DOORWAY.

ROOM DIVIDER TOO BIG TO FIT THROUGH DOOR

THE QUADRANGLE

THE REC ROOM

HAVING HAD A DAY OF FLOODING RAIN IN WHICH THE MOVERS HAD TO CONTEND WITH, OLD MAN WINTER DECIDED TO GRACE THE LANDSCAPE WITH A BIT OF WINTER WHITE.

ROOM DIVIDER TOO BIG TO FIT THROUGH DOOR

THE WINTER OF 2010-2011 WAS ONE OF THE COLDEST WINDIEST, SUNLESS WINTERS ON RECORD. CAN SPRING BE FAR BEHIND???
